# HERBS PLANTATION

On 1<sup>st</sup> Feb 2019, Sinhgad IHMCT, successfully completed the event of herbs Plantation under the National Service Scheme at college campus. Trees and herbs are the foremost source for producing the oxygen in environment, they help to reduce the level of CO<sub>2</sub>.

As we all know that the whole world is facing the problem of global warming and to recover from such problem planting the trees is become one of the most important aspects today.

The event was began At that time Principal advice to volunteers to think differently for the Society to make positive changes and to make improvement, Principal. After that NSS Volunteers sung a NSS song followed by the felicitation of Prof. Mr. Godse orients the NSS volunteers by notifying the importance of NSS for them as well as society. He shared his past experiences with volunteers that how he got the success through NSS and what difficulties he faced while performing his role as NSS professor After the inspirational words of Professor and Principal we all move towards the place where herbs plantation took place.

A very first Herb plant by Mr. Godse Sir in college premises and then Principal Dr. Mrs. Ayesha Madam also herb plant a tree. Total herbs planted by all others including teachers, volunteers was more than 15 on the day.

All were happy and experience proud after the Herbs plantation event was finished, because it really feels great to do positive for the nature.

"Tree Plantation" on 15<sup>th</sup> July 2019 under SPPU NSS Programme

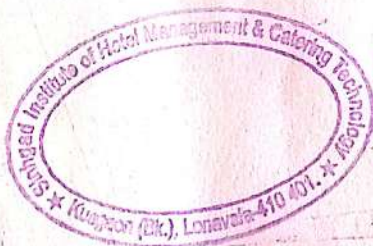

Our Institute organised an extensive Plantation Programme on the occasion of the tree plantation programme of Maharashtra Government & the Savitribai Phule Pune University. The NSS volunteer's and the teachers had planted on different parts of our locality. The NSS students and teachers selected the empty places and the roadsides in STES Campus to plant saplings in a well-organised way.

The saplings were supplied by Savitribai Phule Pune University and STES Campus Lonavala. In order to restore the eco-balance of the Afforestation drive was taken with all seriousness. Anyway, participants were highly enthusiastic to make it a big success. The students planted saplings, and fenced them and watered the plants. Every step of the programme was appreciated by the campus director and principal of this Institute. The programme created a great stir among the general public too. At the end of the programme the Institute of the Principal & Campus Director has given information for the importance of Tree plantation.

SPPU NSS Attempted to Create a Guinness World Record under "Swasth Wari- Swacht Wari – Hrith Wari - Nirmal Wari" event on 23<sup>rd</sup> June 2019 at Savitribai Phule Pune University. Chief Minister **Devendra Fadnavis** as the chief guest, along with Pune Guardian Minister Chandrakant Patil were present at the event. We are extremely happy not only to witness but to be a part of another historic moment, for the cause of environment conservation by our NSS students in Pune.

The event was organised at a big playground near the university, students wore tri-colour t-shirts and cap during the event and sat accordingly to represent the National Flag. This year's World Environment Day's theme was "Air Pollution" and on the occasion of World Environment Day, Prime Minister Narendra Modi urged people to plant more saplings for a better tomorrow.
