Dear Ms. Shilpa Branger,

Greetings from CIEE!

It was pleasure speaking to you. As discussed we would like to introduce you to the **Hospitality Internship programs that we offer at CIEE.**

### About CIEE

Since 1947, CIEE has been providing services to young people studying, working, and training abroad. We are one of the largest international educational organizations in the world, with over 600 professionals and support staff working across the globe. Each year, in the form of overseas study, work, training, and volunteer programs, we help nearly 50,000 individuals experience the enriching reality of living in a different cultural environment. You can visit our website for more details on [www.cieee.org](http://www.cieee.org)

### 1) Hospitality Internship program

CIEE Hospitality Internship Placements is designed for current university students or recent graduates who want to gain real-world experience in restaurant and hotel management or the culinary arts. As your visa sponsor and placement service, CIEE will provide everything from a comprehensive pre-departure orientation to a tailored internship in your chosen industry.

### HOW DOES THE PROGRAM WORK?

Applying for a hospitality internship at an industry-leading host organization in the U.S. doesn't need to be difficult or confusing. With CIEE, we make the application process easy:

1. Work with your international representative to find the right position for you.
2. Complete your résumé. This is your chance to make a great first impression!
3. Interview with CIEE. If you meet program and job requirements, you will then interview with the host organization.
4. Receive internship placement offer (if host organization decides to host you).
5. Submit your final CIEE application to your international representative.
6. Schedule your visa interview at your nearest U.S. Embassy or U.S. Consulate.
7. Book your flight and prepare to travel!

### What Kinds of Jobs are Available Through CIEE?

**HIGH-QUALITY PLACEMENTS:** Get valuable insights and gain real-world skills in the industry of your choice: restaurant and hotel management or the culinary arts. Here's a sampling of some of the jobs CIEE Summer Work & Travel USA students have held:
